

What can’t I do on Reddit?

- violate the content policy.
- break laws or violate others’ copyright.
- try to access others’ accounts without permission.
- spread a virus.
- use Reddit to collect info or data about Reddit or Reddit users unless you have a separate agreement with Reddit.
- negatively affect other users’ enjoyment.
- impair the functioning of Reddit.
- delete or edit others’ content.
- use an automated system to access Reddit. However you are allowed to crawl Reddit only for creating publicly available searchable indices, and nothing more.

Your content will be removed.
Repeat violations result in termination. And if you did not, you can send a counterclaim.
